

Directions from Dickson Plaza (Flagpole)

To Royce:

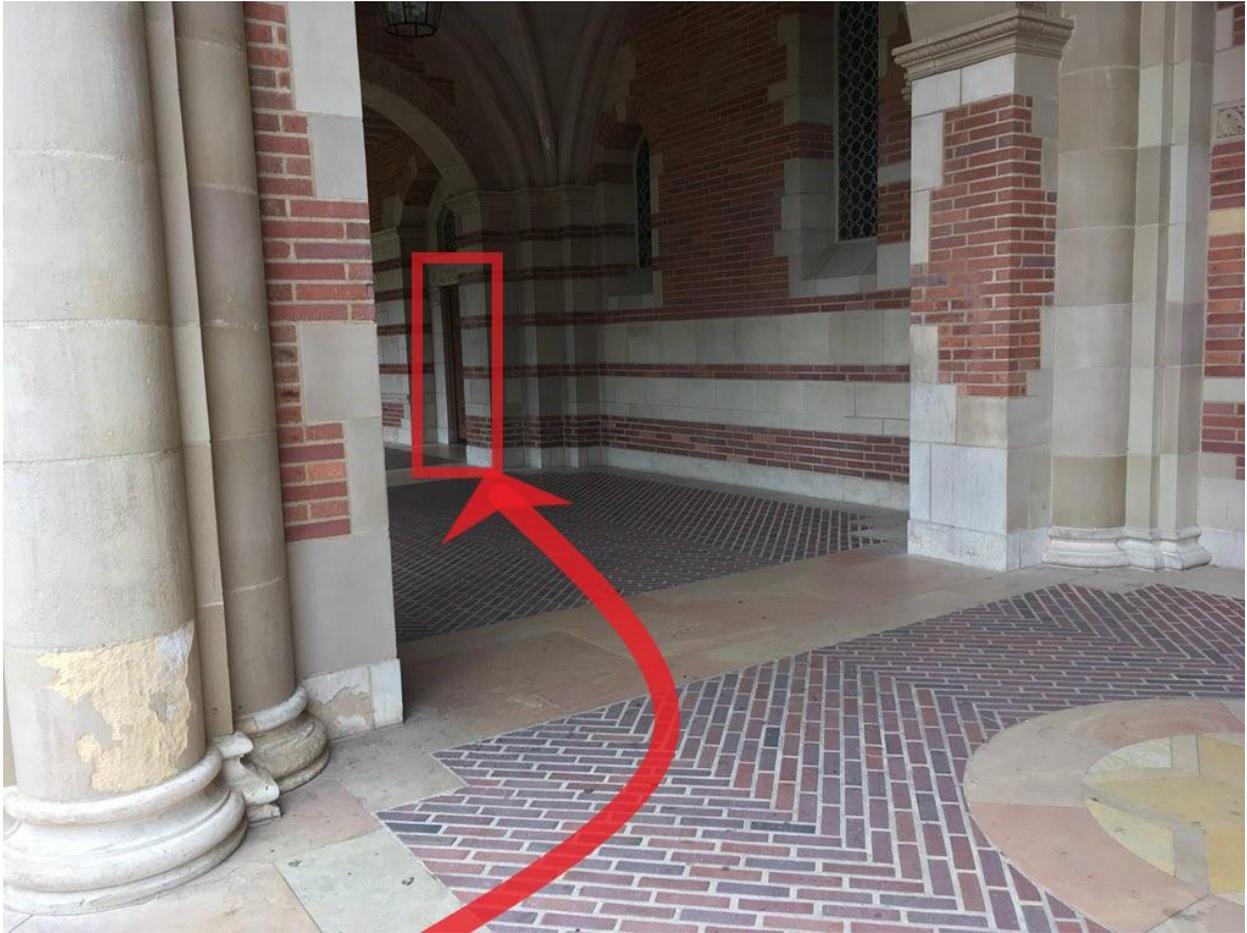

Head northwest from the flagpole. Royce Hall will already be visible.

When you reach the front of the building (south side), climb the stairs through the arches where there are doors visible.

Ignore the first two doors you see and turn left. Enter the smaller door that will come up on your right.

When you enter, there will be an elevator to your left. Take the elevator to the third floor and you will immediately be greeted by our registration desk.

To Schoenberg Hall

Head directly south from the flagpole along the asphalt road.

Schoenberg Hall will be on the left. Cross the street and enter through the glass doors at the front.
