

Noche de shabat mi madre
La horica dando dos
Fuego salio a la agua mueva
A beaz cule quedo

The night of Shabbat, mother
The time was 2 a.m.
Fire broke out at Agua Mueva
And stopped at the White Tower

Sabiendo mancebicos
Los pecados de Shabad
Se saño el patron del mundo
mos mando a dudular

The young fellows knowing
The sins of Shabbat,
The Lord of the World got in a rage
And sent us all to Dudular

Tres palombas van volando
Haciendo estruicion
Ya mos vamos expandando
mos vamos ande el ingles

Three doves are flying
Wreaking destruction
We spread out
And go to the English

Mancebicos muchachicos
ya se van ande el ingles
Ya mos vamos expandando
mos vamos al estindak

Young fellows, children
They were going to the English
We spread out
We go to the checkpoint

El estindak lleno de agua
ya mos toca fin al bel
Ya quedimos arastando
en los campos del ingles

The checkpoint was full of water
Up to the waist
We just ended up spreading out
In the English camps

Por seis grushicos al dia
y un pan para comer [18]

For six pennies a day
And a loaf of bread to eat [18]
