

**Prescreening Instructions:**

- Video is required for all prescreening recordings. The recorded videos must be unedited, but full movements can be recorded separately. Piano accompaniment is preferred but not required.
- Please note that smaller file sizes may yield faster and easier upload times from most home internet connections and will be of sufficient quality for faculty review. Please check to ensure your videos are fully processed before submitting your application on Acceptd (undergraduate) or Slate (graduate).

If you have any questions regarding the prescreening or audition requirements for Tuba, feel free to email Prof. Aubrey Foard at [aubreyfoard@yahoo.com](mailto:aubreyfoard@yahoo.com).
